## Naming the Parkway Foundation as a beneficiary of a policy can help conserve our last great places.

## **HOW IT WORKS**

- 1. You can provide now for a future gift to The American River Parkway Foundation by naming us as beneficiary of a policy insuring your life.
- 2. At death the proceeds are paid to The American River Parkway Foundation, and we apply them to the program you have designated.

## **BENEFITS**

- You can make a significant gift from income instead of capital.
- Estate Tax deductions.
- Continue your legacy through the ARPF.
