*IPMP Program Manager*

May, 2008

The American River Parkway Foundation is pleased to announce the 24<sup>th</sup> Annual Down River Day. This fun filled day is scheduled for Saturday, August 2<sup>nd</sup>, 2008 and will take place rafting down the American River from Sunrise to Goethe Park. Please plan on joining in on the fun as a sponsor for our 24<sup>th</sup> Anniversary.

This year we will be offering a variety of sponsorship packages. Please read the enclosed sheet for complete details. This event is the American River Parkway Foundation's signature event and attracts over 400 attendees each year and is a definite crowd pleaser.

Proceeds from this year's event will assist the Foundations' stewardship programs. These programs include Adopt the Parkway, a year-round group volunteer cleanup program, the Invasive Plant Management Program, an intensive volunteer effort to rid the Parkway of invasive weeds, In My Backyard (IMBY), a program which fosters grassroots clean-up, maintenance and restoration efforts as well as the annual Great American River Clean-Up in September of each year.

The American River Parkway Foundation is a non-profit organization dedicated to the preservation, beautification and stewardship of the American River Parkway. The American River Parkway is a natural resource for the Sacramento Valley and we want to ensure its survivability for generations to come.

Please join us as we celebrate 25 years of preserving the beauty of the American River Parkway. Should you have any questions please do not hesitate to contact us at (916) 486-2773.

I look forward to hearing from you in the near future.

Sincerely,

Dianna Dal Aguilar  
Executive Director
