

# Naming the Parkway Foundation as a beneficiary of a policy can help conserve our last great places.

## HOW IT WORKS

1. You can provide now for a future gift to The American River Parkway Foundation by naming us as beneficiary of a policy insuring your life.
2. At death the proceeds are paid to The American River Parkway Foundation, and we apply them to the program you have designated.

## BENEFITS

- You can make a significant gift from income instead of capital.
- Estate Tax deductions.
- Continue your legacy through the ARPF.
