

Adopt-A-Mile Volunteer Mile Stewards

The ARPF Adopt-A-Mile program gives community members the opportunity to have a direct stake in the well-being of the American River Parkway. Mile Stewards are the volunteer component of the Adopt-a Mile program. Mile Stewards make a 2-year commitment to their adopted mile of at least 20 work-hours per quarter. ARPF recognizes Mile Stewards on a sign along the Jedidiah Memorial Bike Trail, on the ARPF Web site and through an annual Volunteer Appreciation Dinner. ARPF also provides all necessary work supplies.
