

# AMERICAN RIVER PARKWAY FOUNDATION

## Volunteer Steward Work Summary Form

Please submit this form (or its [digital version](#)) after each volunteer outing. ARPF uses this record to track community volunteer efforts. ARPF needs these records for liability purposes and to include in regular reports to Sacramento County, grantors, sponsors and other interested parties.

Use the space below to tell us about the work your group performed. This form is also to notify us if there is work within your mile that is larger than your group can handle. The Parkway Foundation can recruit volunteers to assist with these projects.

**Complete and return this form to the Parkway Foundation office**
